

## Window Project Safety Notification

The month of July and possibly August there will be limited accessibility on the North section of RHAM campus. This is being done for the safety of the contractor's employees as well as any visitors.

As of July 12, 2017 there will be no through traffic in this area so please seek alternative route. The visitor parking lot will be accessible. Access through the softball field will be from the RHAM Road section of campus.

We apologize for this inconvenience and thank you for your patience during this process.
