

# EVERSOURCE

Sign up on  
eversource.com to  
receive text message  
updates when  
severe weather hits.

To report an outage at your home,  
please call Eversource Customer  
Service at **(800) 286-2000** or  
via your hand-held device on  
**eversource.com**

## For your safety and the safety of your family:

- Call 911 immediately to report downed wires
- Always stay at least 10 feet away from all downed wires
- Always assume any downed wire is live and extremely dangerous
- Never drive over downed wires
- Never touch anything that may be in contact with downed wires, including trees, fences, guard rails, puddles of water
- Always have a licensed electrician install your generator

For videos and more: **eversource.com**.

For updates on outages in your town: text "outage," followed by a space and your zip code, to 24612.
